## THROUGH THE KEYHOLE WITH PRIMARY 3

This term we dropped into the P3 classroom to find out what they have been getting up to recently!

Ahoy mateys! This term P3 have been learning all about **Pirates**. They loved dressing up as different pirates and finding buried treasure in the sand or sailing the seas in our class pirate ship on the lookout for buried treasure. P3 have been designing treasure maps and writing diary entries as if they were a pirate. They have explored the different parts of a pirate ship and researched famous pirates. Freya designed her own pirate ship using recyclable materials, well done Freya!

As part of **National Numeracy Day** celebrations, the entire school took part in a day of celebrating the value of Numeracy. P3 took part in an outdoor learning lesson all about time.

P3 have been busy planting and take caring of lettuces and broad beans in our vegetable patch. We can't wait to taste our home-grown vegetables.

P3 have been learning all about coding and were very excited to code a micro:bit. They all coded micro:bits to say their name.
